A short new year story... mabuhay....tithes are very important. I just did it last week (for the first time I just gave the 10 percent). I'm in a debt situation (5k dollars) right now. My wife is pregnant. Bills are overdue already and electric and water are ready for disconnection (I just wanna hang my self "just kidding hehehe). but I just give my first fruit "10 percent"1200 pesos (24dollars) to the church that I'm going to and after just about 1 day (next morning) before the new year ...

This is my testimony born in family of four. My father was shoot dead when l was at the age of 12 years and by the age of 14 years my mum was locked up and we were left in the care of relatives. Back then when we had both parents life was good but after the first storm life was no longer the same left in mercy of family who felt they needed to teach us the world was not of glitters. Third-To-Last Person To Get Into Heaven

When I graduated from college, I thought I was the smartest person in the world. But after 6 years of frustrating jobs, I found myself working in the family business. My father paid me more than I could earn elsewhere and I was beginning to believe I had no value. It was a low time in my life because I was beginning to realize I wasn't as cool or smart as I thought I was. I had been married 5 years, and my wife tried to get me to go ...

Becoming Whole – “Short Version”

It was the end of September 2015. My life at that point was spiraling out of control. This particular week was more hectic than usual to say the least. I was juggling a full time job, tending to my husband who had torn his ACL/MCL about a month prior, taking care of our two children and packing an entire home of four mostly by myself. My husband helped as much as he could from our bedroom by tapping each and every box but mostly rested before he was scheduled for ...

My Testimony Of Jesus Christ From God

When I was 17 years old I had an amazing encounter with the love of God and this was all by Gods grace. Roughly 2500 years ago God spoke to the prophet Joel about something great he would do. Joel chapter 2:28 says “And it shall come to pass afterward, that I will pour out my spirit on all flesh; your sons and daughters shall prophesy, your old men shall dream

dreams and your young men shall see visions. Prior to my encounter with God I was in a lot ...

I'm not sure how to do a story. I have never spoken to more than 3 people at a time in my life. I guess I'll start at the beginning. My parents were orphans. We were very poor. It wasn't like it is now days when you had some family member you could get money from if you needed something. Back then if we didn't have it we didn't get it. And it was often we didn't have it. We lived in a 4 room shack with no walls on ...

Supernatural Stuff

 Joe Will Scofield  8/30/2017  Salvation

Christian testimony of Joe Scofield in Bath, Great Britain Hi. A while ago, I started to write my Christian testimony as a series of Facebook posts. Realizing that many people are interested in the supernatural, I concentrated on the supernatural aspect – as there has been plenty of that in my life. Some Christians may worry that I make references to my mum's sixth sense ability. She worried about it herself when she became a committed Christian, though it seemed to transform into the gift of prophecy at this point. ...

When It's God's Time, It's His Time

Hello everyone. My name is Nontsikelelo and I am 25 years of age. I am from Cape Town, Western Cape and I am a student. I had previously accepted Jesus as Lord and Savior many times in my life but I always did things my own way and always sinned. In 2015 I went to stay in another city to study and so I made friends and things really took a turn for the worse. I ended up drinking a lot and was also very sexually immoral. I remember last ...

Fulfilled Word

Back in high school, I used to cut class all fo the time. As a result, I had poor grades. Although I graduated on time, it was by the skin of my teeth. Mind you, I was this kid with no direction in life. All that mattered to me was fitting in with the rest of the kids. I just didn't care about the priorities in my life until I ended up in a dark place in my life that led me to Christ (see testimony). I had always believed ...
